

Pre-Wrap Checklist for Vehicle Graphics Installation

Vehicles taller than 10' will NOT fit in our warehouse

Thank you for choosing LGS for your vehicle wrap. To ensure the best results, please review and follow the checklist below:

Vehicle Preparation

1. **Washing:**

- Wash your vehicle the day before or the morning of drop-off.
- A simple car wash is sufficient. Ensure the vehicle is dried thoroughly, including under-body moldings and seams.
- Do not simply rinse with water; this will not remove dirt or contaminants properly.

2. **Wax, Ceramic Coatings, Tire Dressing and Contaminants:**

- Ensure the vehicle has no wax, ceramic coating, or tire dressing. These can cause the wrap to fail.
- If the vehicle has a ceramic coating, it must be completely removed by your detailer before drop-off. LGS is not liable for failures caused by ceramic coatings.

3. **Freshly Painted Vehicles:**

- If your vehicle has been freshly painted, a 30-day curing period is required before applying any graphics to ensure proper adhesion and avoid potential issues.

4. **Surface Condition:**

- Remove all existing graphics, decals, and adhesive residue. If removal is required, notify us in advance; fees apply.
- Inspect the vehicle for contaminants. LGS does not provide detailing services and will proceed with installation as-is. Contaminants will show through the wrap.

5. **Emblem and Box Truck Prep:**

- Emblem removal for commercial wraps is \$50 per emblem.
- Box trucks may require acid washing to remove oxidized residue. This service starts at \$250 and must be scheduled in advance.

Vehicle Drop-Off

1. **Timing:**

- **Be on time.** Delayed drop-offs affect your project and others.
- We recommend dropping off your vehicle the evening before installation for acclimation and drying.

2. **No-Show Policy:**

- A no-show will result in a \$1,500 charge and forfeiture of any deposit.

3. **Valuables and Keys:**

- Remove all personal items and valuables from the vehicle.
- Provide all necessary keys for doors and compartments.

4. **Extended Time:**

- Plan for the advised time frame for installation. Additional time may be required to ensure quality work.

Cancellations and Rescheduling

- **Cancellation Fee:** \$350 for cancellations or reschedules without 72 hours' notice.
- **No-Show Fee:** **\$1,500 for no-shows.**

Important Notes

- LGS is not a body shop. Imperfections in paint or clear coat will be visible under the wrap.
- The wrap will reflect the condition of your vehicle's surface.
